

2019 CAREGIVER CONNECTION

“Caregiver Connection is a safe place to be surrounded by people who understand what I’m dealing with and how I feel in good times and in troubling times. I am pampered for an hour with good friends, good conversation, and good desserts.”

– Caregiver Connection Participant

ideas, tips and encouragement along with insights into how to handle the challenges of caregiving. It serves as a support group and offers a safe place to ask questions and speak openly about the challenges of caregiving. Volunteers and representatives of the hospice staff provide information and assist.

Ohio’s Hospice of Miami County is extending a helping hand to those who currently are caregivers. Caregiver Connection is a program of support and sharing for those caring for a loved one. The program is offered the 2nd and the 4th Thursday of the month and is open to all community members.
